- C. There is a Two Hour and 15 minute (2:15) time limit on all games. If at this time the teams are tied, the game shall end in a tie. In special weather conditions only, it will be solely the umpire's decision as to whether to call a game before the curfew or continue a game after the curfew. Example: cold and dark or perfect and lots of daylight, respectively Reference section 3L
- D. Normally, thirty (35) minutes before game time is allowed for pre-game practice. The home team takes the first 15 minutes and the visiting team the last 15 minutes before game time. However, due to some circumstances, the managers may agree to something else. Remember that the field must be cleared 5 minutes prior to game time for the pre-game meeting with the umpire.
- E. Re-scheduling of any games, because of weather or special school events, is to be done by the Major Commissioner.
- F. All games will be played on the date scheduled, except on request of the Major Commissioner.

However, the “new player(s)” will be added to the batting order (line-up) at the bottom, as if they were a late player. See Section IV. Rule C under GAME PROCEDURE.

6. If a team has two (2) scheduled games in a week, plus the suspended game, the suspended game constitutes that team having three (3) games in a week, for the purpose of the “extended pitching rule” (extra innings allowed).

I. “Called games are official if four innings have been completed, or the home team is ahead after three and one-half (3 ½) innings. If a game is “called” before it becomes official, or when the score is tied, that game is considered a suspended game.

J. If a game is “called” for any reason in an uncompleted inning, after having reached official length, and the visiting team ties the score or takes the lead in the uncompleted inning, and the home team does not tie the score or retake the lead in its portion of the uncompleted inning, the game shall be considered a suspended game. If the home team is ahead at the time of the “call”, they are to be declared the winner (providing at least three and one-half (3 ½) innings have been played).

- K. The home team, listed second on the schedule, shall have the third base dugout (bench) and is responsible for setting up the field and the clearing of that field after the game. Both teams, however, will patrol their field and spectator areas for any litter, immediately after each game or practice, and each supplies a game ball.
- L. Other than the batter at the plate, only one other player is allowed to swing a bat and that is the “on-deck” batter in the “designated area”. The “designated area” is defined as the end of the dugout (bench) at the point furthest from home plate. The “on-deck” batter must be wearing a league approved (NOCSAE) or issued batting helmet. IV. MANAGER CONDUCT AND EJECTION POLICY

- A. A Manager, Coach or Parent can be ejected from the game or stands for inappropriate conduct as judged by the umpire. This would include excessive arguing/yelling, inappropriate language or behavior that would interrupt the game.
- B. Upon an ejection that Manager, Coach or Parent must leave the park with their child/children who is playing in the game. Players leaving the game will not count as an out when he/she comes to bat in the following innings. Forfeit rules will be used if a team cannot field at least 8 players.
- C. It is the Managers responsibility to control the fans of his team to the best of his abilities.
- D. A Manager or Coach who is ejected from a game is automatically suspended for the next game played, whether regular season or playoffs.

- G. Managers and Coaches may also report an umpire's conduct using the "Umpire Disciplinary Form" distributed by the league, to report umpires who are late to games or show inappropriate behavior or language. These reports should be turned into the Minor Commissioner within 24 hours of the end of your game.

- C. All players present for the game are to be placed in the official batting order and will bat in their respective turn during the full course of the game (continuous batting). A player arriving late must be reported to the umpire and opposing manager and must be added to the bottom of the line-up.
- D. For the first 7 innings of the game, an inning shall be considered complete when 3 outs have been recorded or 7 runs have scored. Runs that scored during a play that total more then 7 within that inning will not count. (i.e. If 6 runs have already scored in an inning and the next batter hits a home run with 2 runners on base only one of those runs counts towards the score for a maximum of 7 runs an inning). In the 6th inning or extra innings there is no run limit. Inning ends when 3 outs are recorded.

- E. It is the managers' responsibility to have their batters ready to take their turn at bat. Any player refusing to bat will be deemed "out", but must remain in the batting order. An umpire can call a batter "out" if he is not ready to bat within a reasonable amount of time.

- H. All weekday games are scheduled to start at 6:00 p.m. with a 15-minute grace period. Weekend games starting times will also have a 15-minute grace period. A team must place eight (8) players on the field at game time. If after the 15-minute grace period, the team fails to do so, this will result in the forfeiture of the game. A team may play with 8 players, but doing so will result in the 9th spot in the batting order being declared an out.
- I. Players must not sit for more than 2 defensive innings in any game unless the game goes extra innings. In an extra inning game, a player must not sit a 3rd defensive inning until all players have sat at least one inning. Free substitution, except for pitchers, is allowed and suggested.
